CAREER OBJECTIVE

I am currently a Senior at Cal State Fullerton graduating in May 2022. I am seeking an internship or entry level role within the field of Computer Science. I am passionate about software engineering and software testing. Willing and eager to learn new technologies to further expand my technical skills.

EDUCATION

Bachelor of Science, Computer Science

California State University Fullerton

May 2022

Cumulative GPA: 3.31

SKILLS

- Languages: C++, C#, Java, Python, JavaScript, HTML and CSS
- Database Language: SQL
- Operating System: Windows, Linux, MacOS
- Tools: Git, Bash, RStudio, VS Code, Node.js, Microsoft Office
- Agile Methodology, Software Development Life Cycle, Software Testing

PROJECTS

Mockroblog (Summer 2021)

- Created a self-blogging website to mimic Twitter Web App with a group of five.
- Utilized REST API exposed by sandman2 to allow for queries.
- Utilized MySQL for database and python to connect between front-end and back-end.
- Demo: [MockroBlogVideo](#)

RELEVANT WORK EXPERIENCE

Instaboost Media

Santa Ana, CA

Intern Web Developer

June 2021 – August 2021

- Learned and utilized HTML/CSS to develop responsive front-end web applications
- Developed basic programming skills using JavaScript
- Learned how to use Express.js to provide a simple API to build websites, web apps
- Worked collaboratively and professionally in the development team to create the company website.
